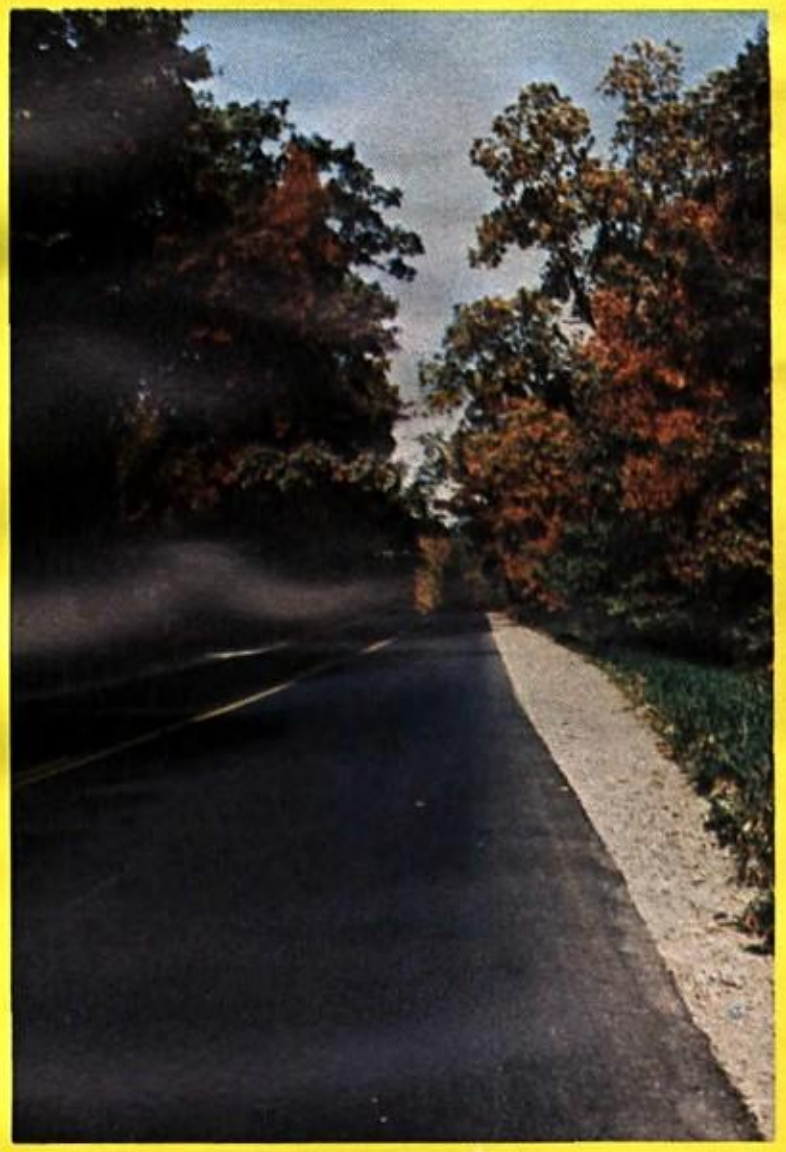
Grand Haven Senior High School
Grand Haven, Michigan

It's no matter if you're born
To play the king or pawn
For the line is thinly drawn
'tween joy and sorrow.

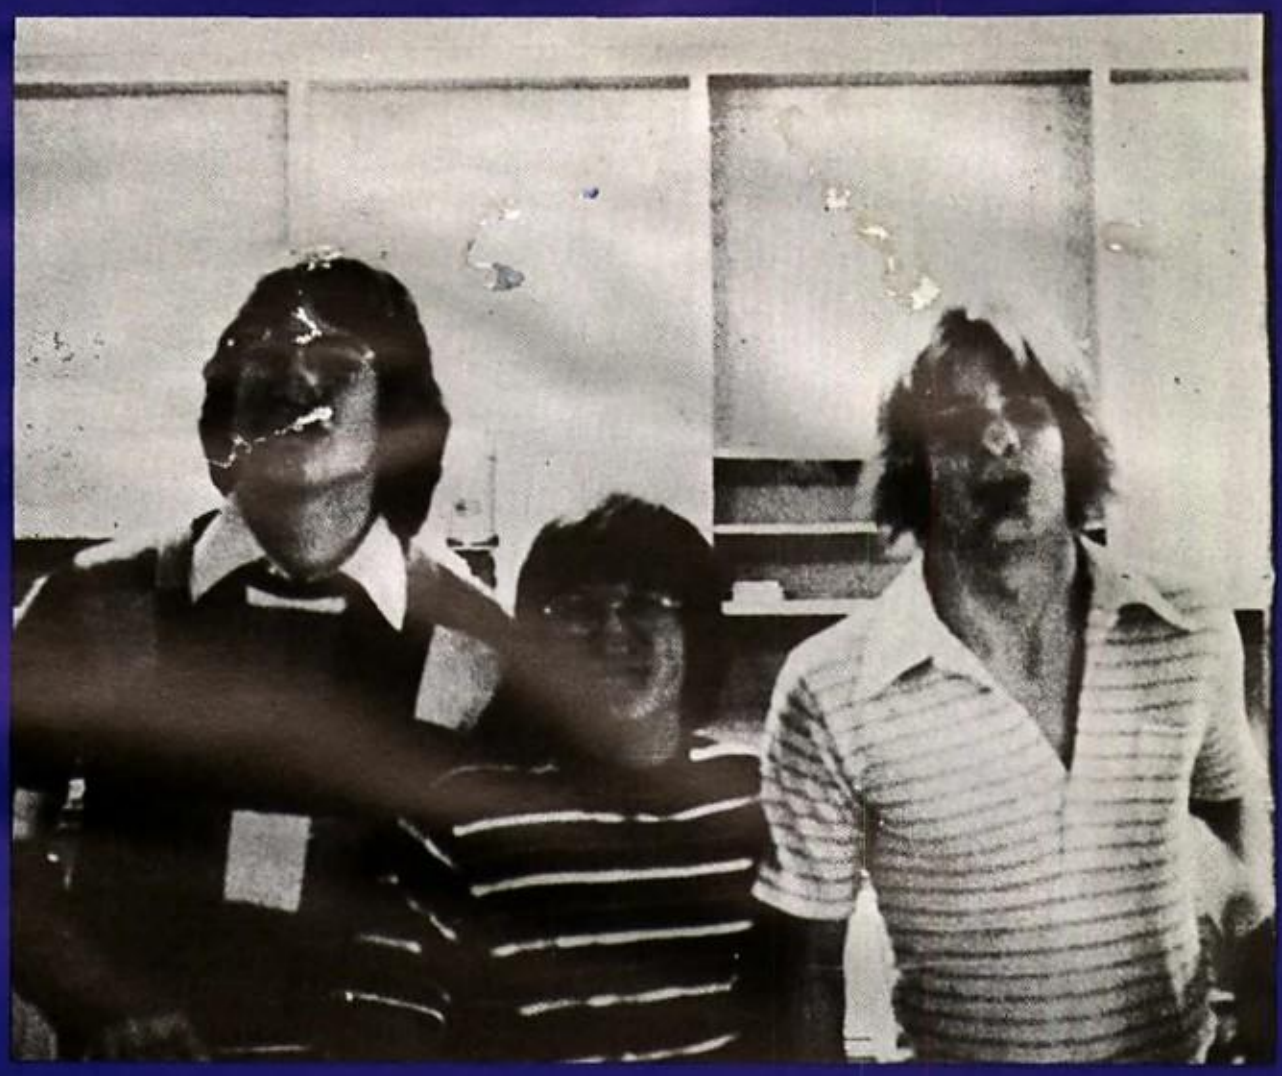
So my fantasy
Becomes my reality
And I must be what I be
and face tomorrow.

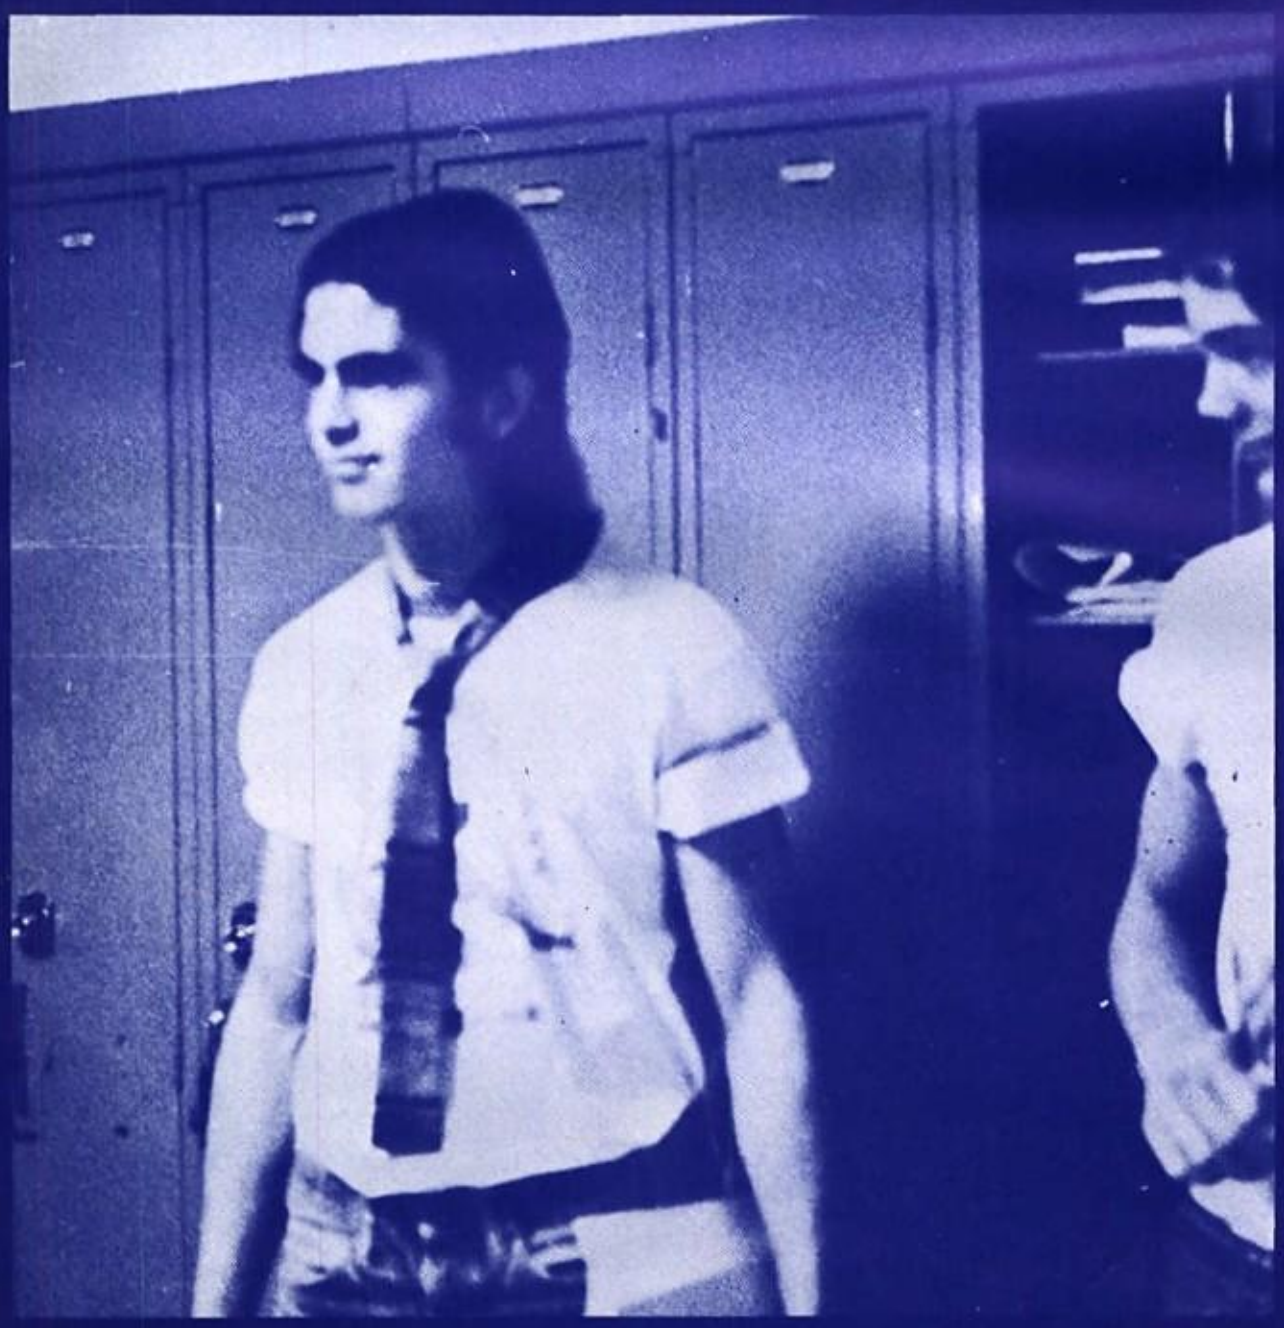
I'd rather be a forest than a street.
Yes I would.
If I could.
I surely would.



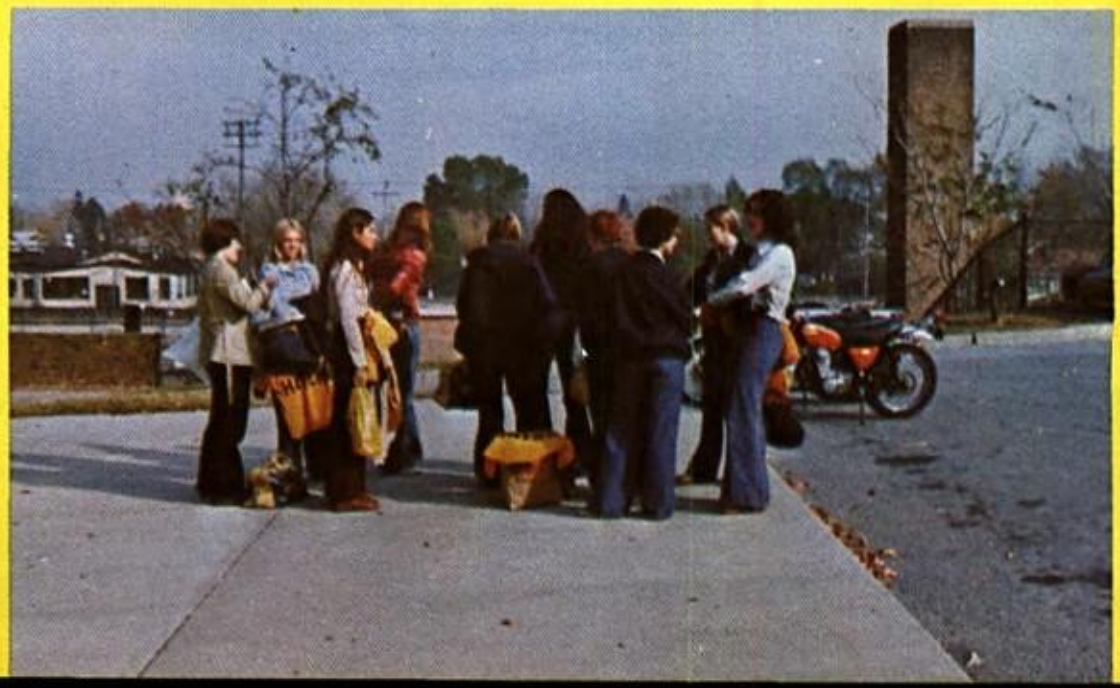
I'd rather feel the earth beneath my feet.
Yes I would.
If I only could,
I surely would.

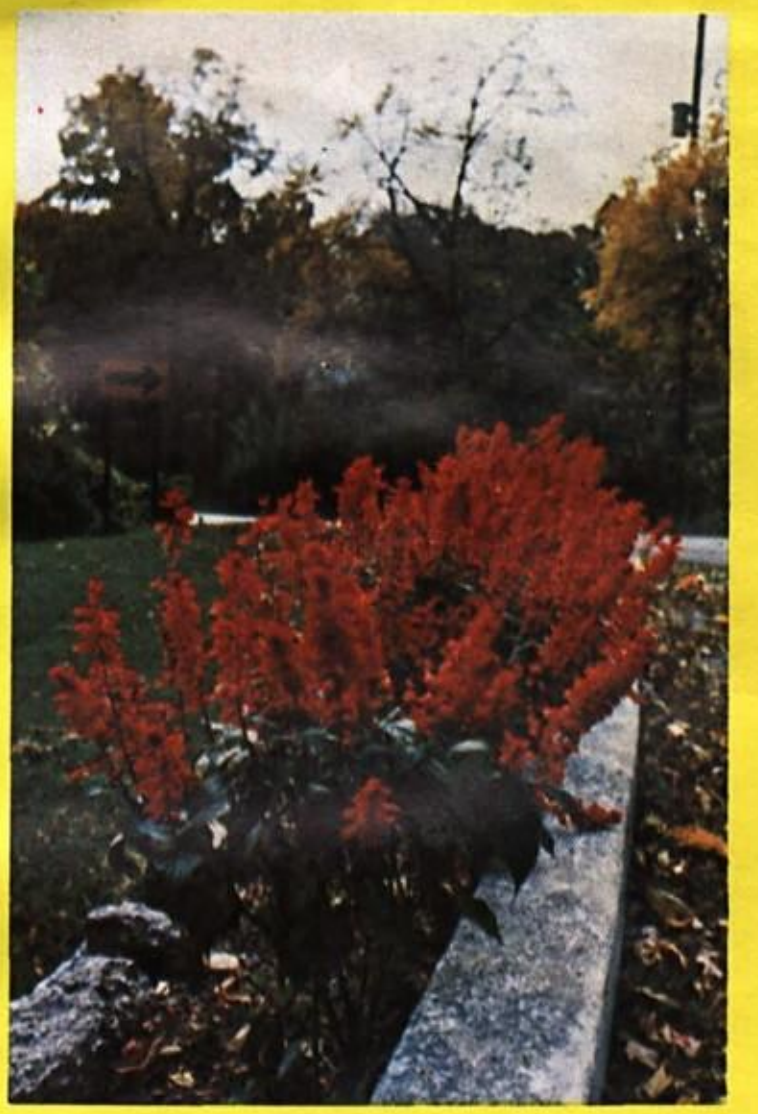
Slow down, you move too fast.
You got to make the morning last.
Just kicking down the cobble stones,
Looking for fun and Feelin' Groovy.

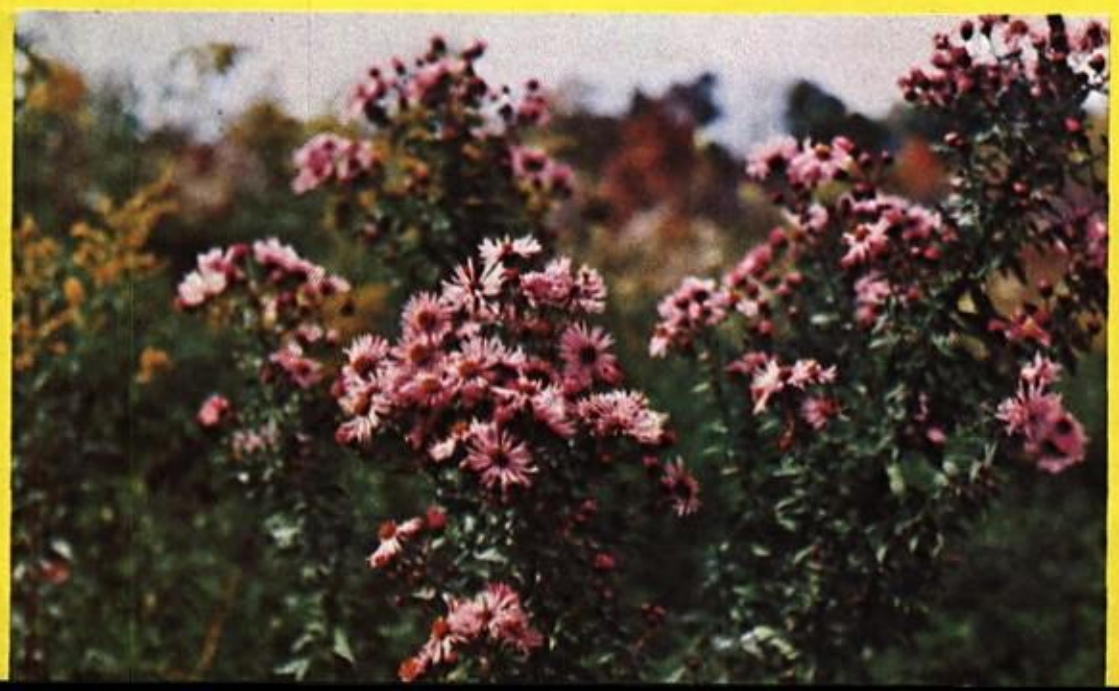




Hang on to your hopes, my friend,
That's an easy thing to say,
But if your hopes should pass away,
Simply pretend that you can build them again.





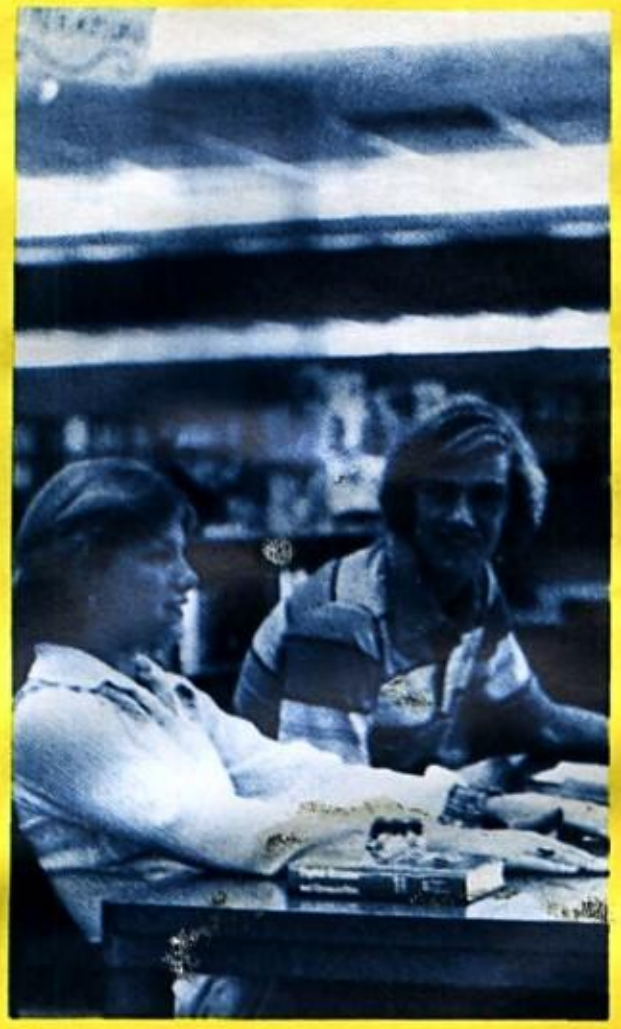


Look around;
The grass is high,
The fields are ripe;
It's the springtime of my life.

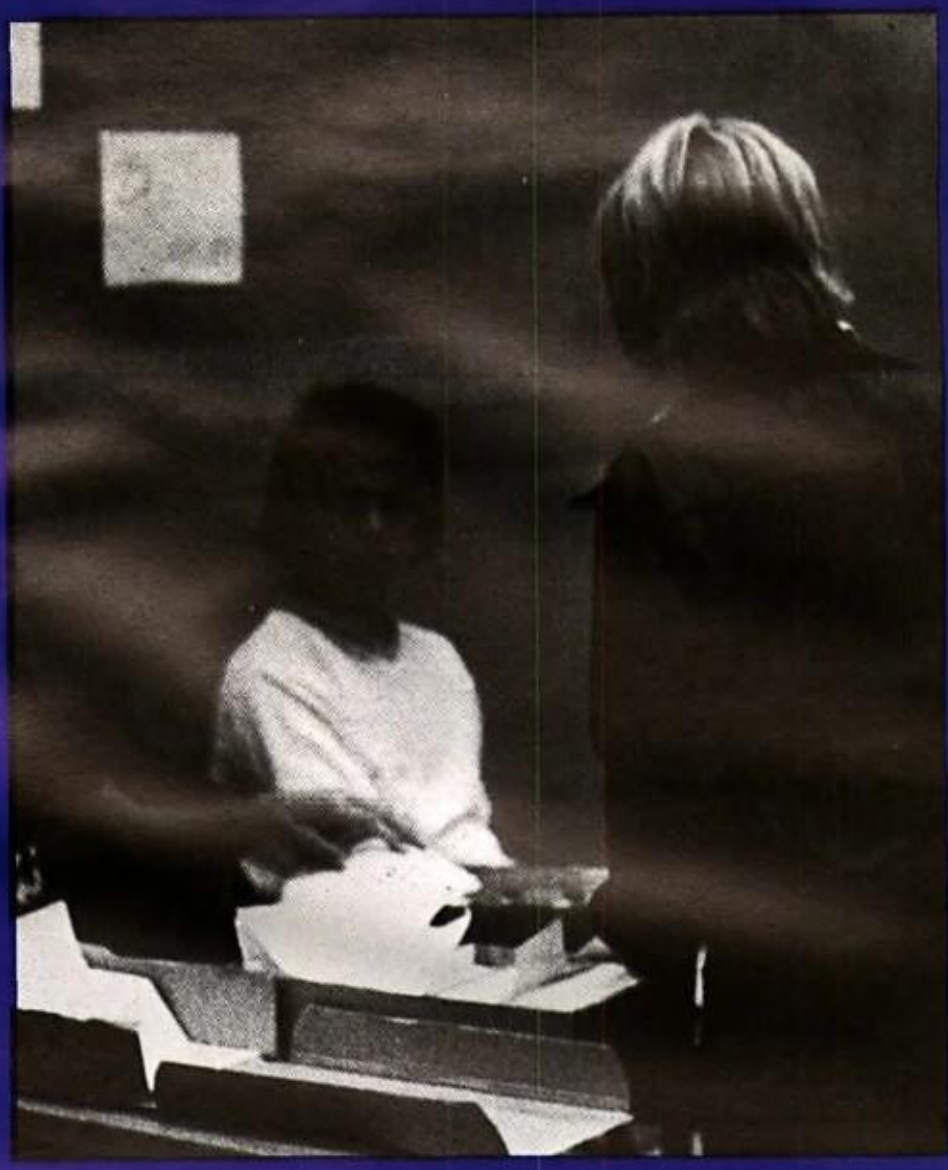
When you're weary, feeling small,
When tears are in your eyes,
I will dry them all;
I'm on your side. Oh when times get
rough
And friends just can't be found,

Like a Bridge Over Troubled Water
I will lay me down.
Like a Bridge Over Troubled Water
I will lay me down.

Old Friends,
Old Friends,
Sat on their park bench
Like bookends.
A newspaper blown through the grass
Falls on the round toes
Of the high shoes
Of the Old Friends.



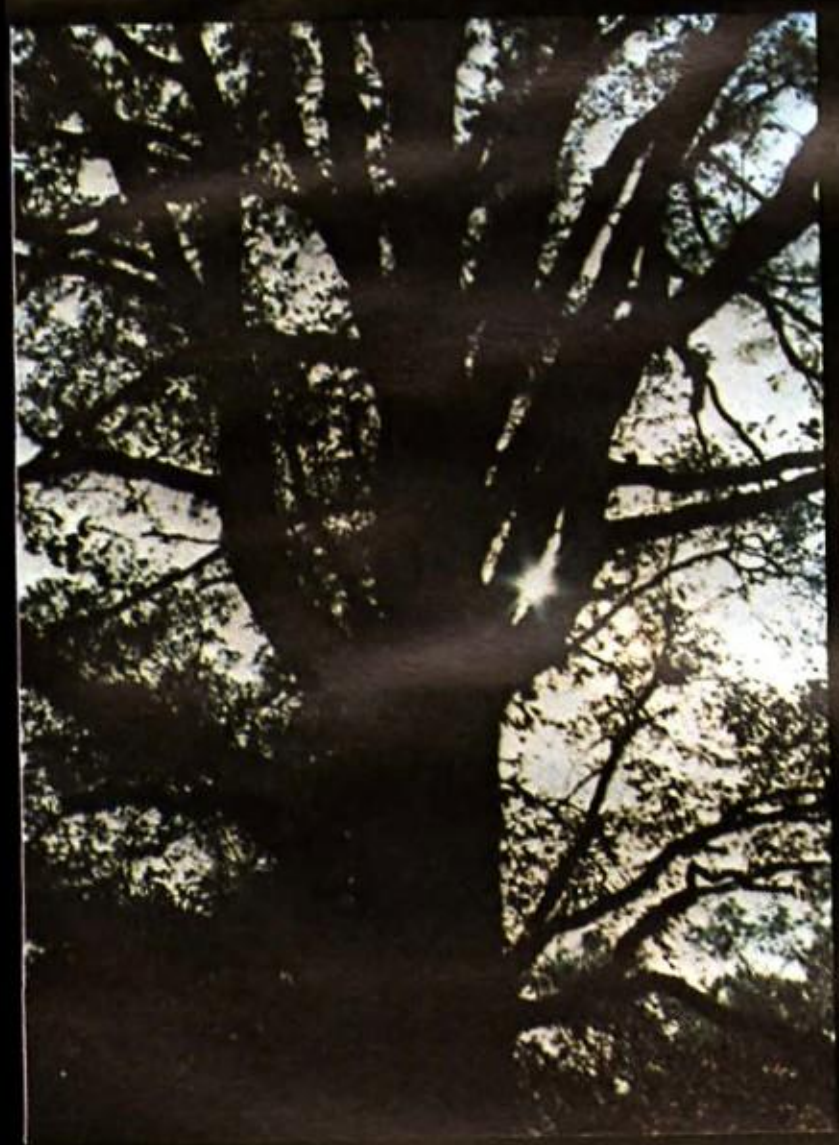
Can you imagine us
Years from today
Sharing a park bench quietly?
How terribly strange
To be seventy.

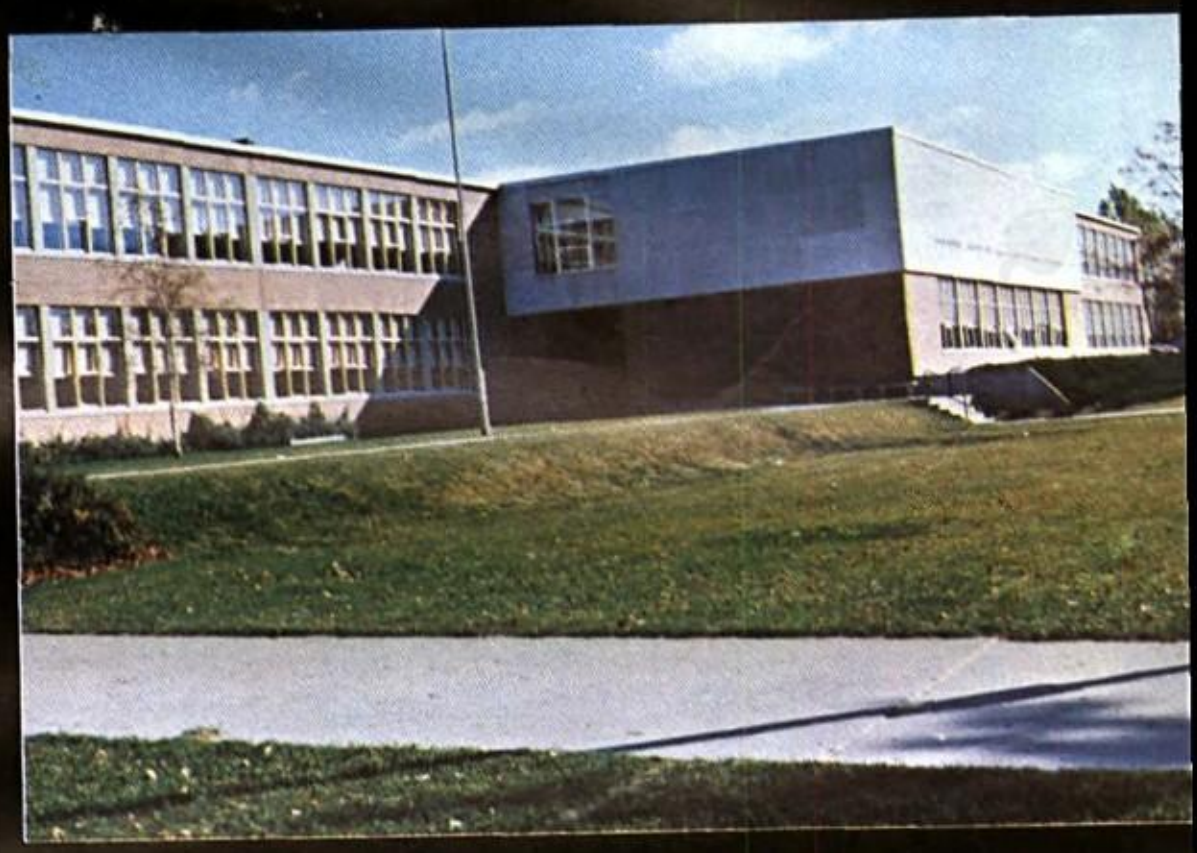


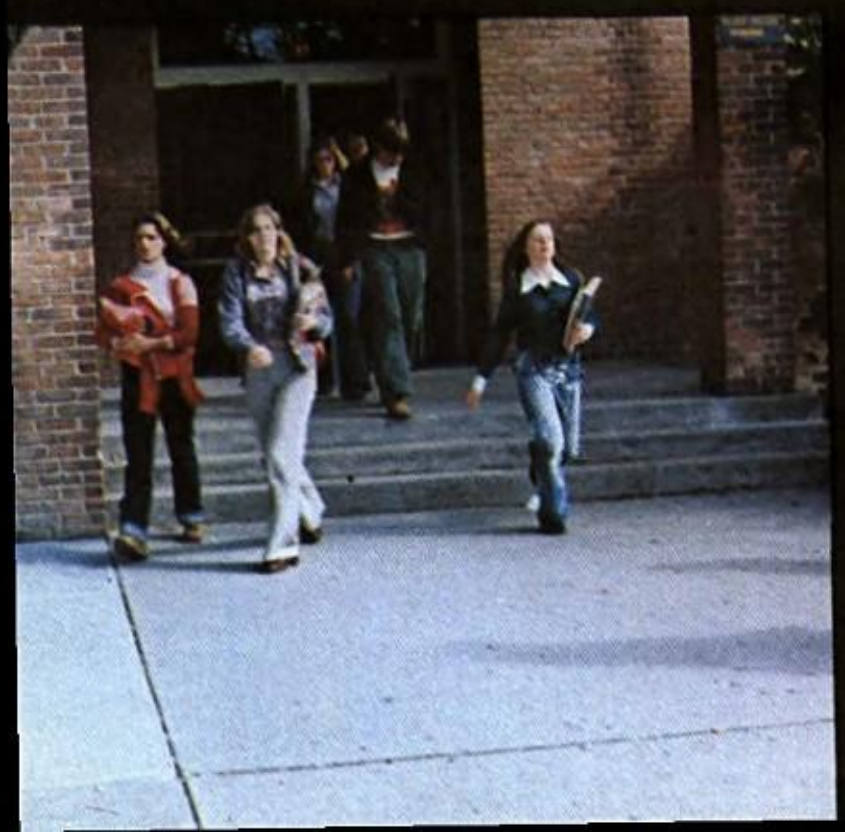
Time it was,
And what a time it was,
It was . . .
A time of innocence,
A time of confidences.

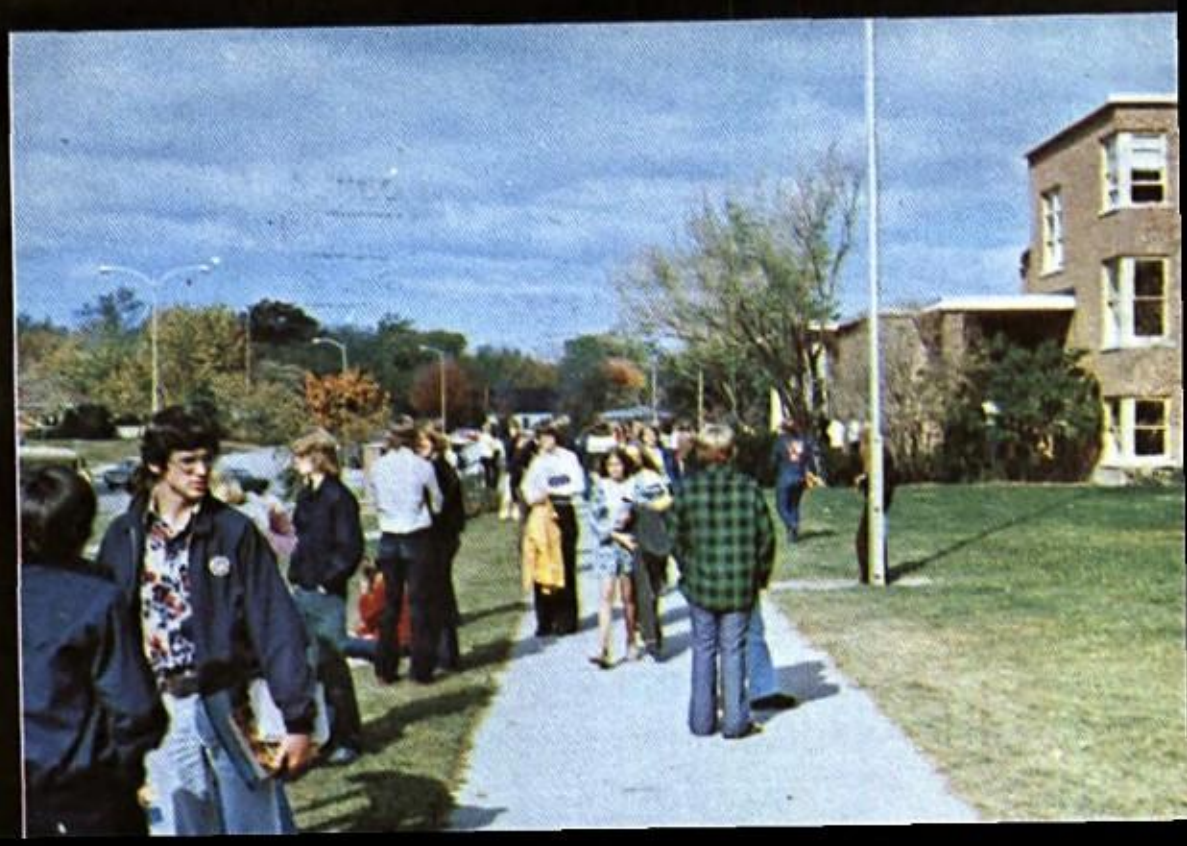
Long ago,
It must be . . .
I have a photograph
Preserve your memories;
They're all that's left you.

Old Friends.
Memory brushes the same years.
Silently sharing the same fears.
Paul Simon









Dedication

The 1976 Blue and Gold yearbook has been dedicated to Mr. James VanDam.

Mr. VanDam teaches Chemistry and has worked very hard to make Chemistry more understandable to students. He has prepared unit "workbooks" and laboratory experiments that follow the outline of the regular textbook. This enables the students to work at their own speed, study example problems and obtain a clear understanding of the subject. Mr. VanDam is also the Assistant Varsity Football Coach and helps run the weight training program after school. This is for football players and others to work out and keep in condition while looking forward to the next season.

Congratulations to Mr. VanDam, a concerned and dedicated teacher and a friendly person, which Grand Haven Senior High School is proud to have.

In Memory

Michelle Renee Kline

They Never Quite Leave Us

They never quite leave us, our friends who have passed
Through the shadows of death to the sunlight above;
A thousand sweet memories are holding them fast
To the places they blessed with their presence and love.
The work which they left and the books which they read
Speak mutely, though still with an eloquence rare,
And the songs that they sang, the words that they said,
Yet linger and sigh on the desolate air.
And oft when alone, and oft in the throng,
Or when evil allures us, or sin draweth nigh,
A whisper comes gently, "Nay, do not the wrong."
And we deem that our weakness is pitied on high.

— *Margaret E. Sangster*

One of Michelle's favorite pastimes was writing and collecting poems on love. This being one of her favorites; "To love and be loved is the greatest joy on earth."

Success

It's doing your job the best you can,
And being just to your fellow man;
It's making money, but holding friends,
And staying true to your aims and ends;
It's figuring how and learning why,
And looking forward and thinking high;
And dreaming a little and doing much;
It's keeping always in closest touch
With what is finest in word and deed;
It's being thorough, yet making speed;
It's daring, blithely the field of chance
While making labor a brave romance;
It's going onward despite defeat
And fighting staunchly, but keeping sweet;
It's being clean and it's playing fair;
It's laughing lightly at Dame Despair;
It's looking up at the stars above,
And drinking deeply of life and love;
It's struggling on with the will to win,
But taking loss with a cheerful grin;
It's sharing sorrow, and work, and mirth,
And making better this good old earth;
It's serving, striving through strain and stress,
It's doing your noblest — that's Success!

Junior Senior Play

This year the Junior and Senior Classes combined forces to present "Letters to Lucerne." The play, by Fritz Rotter and Allen Vincent, focused on a girls' boarding school in Switzerland in World War Two. The school girls have only one contact with the outside world, this in written correspondence. This lends to the tension and hatred that grows between the girls.

Junior Varsity Basketball

The Junior Varsity Basketball team ended their season with a 12-8 record, under the fine coaching of Mr. Dan Bouma. The leading scorer for the team was Bill Yonker. Curt Beach was the best free-throw and outside shooter. The top rebounder was Mark Reenders. Mark VanHaaften was the team playmaker. Rick Smallegan was the best big man and Mark Northuis did an excellent job in a substitute role.

The players from the J.V. team will help to make a good varsity team next year.

Courage!

The Boys' Varsity Basketball Team had a fine 16-4 regular season record and won their first conference title in 35 years. They were coached by Mr. Al Schaffer and assisted by Mr. Warren Dirkse.

In game 1, G.H. crushed Reeths-Puffer 85-62. A fine way to start off the 75-76 season. P. Hospers led the way with 23 points as M. Hospers had 21 rebounds and D. Kalsbeek 14.

G.H.'s second win was against Holland West Ottawa. There was good balanced scoring with five in double figures as D. Law came off the bench to score 13 points.

G.H. defeated G.R. West Catholic with a 79-40 victory. G.H. came up with 21 assists and four players in double figures. M. Hospers had 18 points.

G.H. then defeated Musk. Catholic in their first L.M.A.C. game. B. Smircina and Schaffer had 22 and 19 points. B. Koster also scored 14 in a reserve role.

G.H. continued their winning streak going by beating Jenison. M. Hospers had 27 points and P. Hospers 21.

In game 6, G.H. broke a long Benton Harbor win streak by beating a tough B.H. 72-64.

G.H. then took care of rival Spring Lake 59-52. G.H. came back in the fourth quarter to hit 6 of 10 shots. A sign of a well poised team.

Win no. 8 was against Fruitport. P. Hospers had 27 points and M. Hospers 20. K. Schaffer had 7 assists.

Muskegon was G.H.'s 9th victory in a row. For the first time in many years G.H. held Muskegon to under 40 points with them scoring 37.

The first loss was to Traverse City. The only bright spot was in K. Schaffer who had 19 points.

G.H. won the next game at G.R. Ottawa Hills, 82-42. Everyone on the team scored led by D. Kalsbeek with 19. G.H. went on to blitz Mona 75-38.

A game that will never be forgotten was the one against Holland in which D. Kalsbeek sank a 17 footer to win the game 60-58.

The L.M.A.C. started the second round with M. Catholic defeating G.H. This put G.H. at 4-2 in the league.

In a "must win" conference game, G.H. played a fine game and beat Benton Harbor 75-70. P. Hospers had 12 rebounds, K. Schaffer 8 assists, and 4 of the 5 starters scored in double figures.

G.H.'s next victim was Holland Christian. The score was 69-58 as K. Schaffer had 22 points, M. Hospers 19, and P. Hospers pulled down 13 rebounds.

At Muskegon, G.H. lost their third game. They were leading by 18 in the third quarter but ended up on the short side of the 63-59 score.

Then G.H. took on Muskegon Heights and lost a tough one 74-73 in overtime. A long range jump shot in the last 5 seconds put it away for Heights.

When Traverse City came to G.H., it was another "must win" L.M.A.C. game. The win put G.H. in a tie for first in the league. It was a fine defensive game and again the scoring was balanced.

In the final regular season game, G.H. beat Mona Shores for the conference championship which they shared with Traverse City and Muskegon Catholic.

With the conclusion of the regular season the Bucs plunged into tournament play. The Bucs played with the determination and the style of champions. This paid off as the Bucs defeated Muskegon and Grand Rapids Union to win the District Championship. This was the first District Championship in 13 years. The Bucs advanced to the Regional Finals by beating Midland Dow in an exciting 66-63 game. Grand Rapids Creston edged the Bucs in that Regional Final game.

Gymnastics

The Gymnastics team finished out the season with an excellent record of 12 wins and only 1 loss. The team as a whole combined to make the season a successful one. The coach, Mrs. Connie Poulin, also worked with the team and helped them with their performances.

Four Seniors are leaving the 1976 team. They are Julia Garzelloni, Connie Meyer, Jill Fett, and Gina Dobson. Each put forth her best and the record shows it. Best of luck to these girls in whatever they choose to do in the future.

Girls' Varsity Basketball

The Varsity Girls' Basketball team did an excellent job for the 1975 season. The team had a record of 12 wins and 4 losses.

After the first few games the team learned to play well together. They were beaten early in the season by Muskegon, Benton Harbor, Traverse City and Jension. The losses to Muskegon, Benton Harbor, and Traverse City were later reversed, which showed the team's improved play. The team won the District Championship for the second consecutive year.

This year, for the first time, an all conference team was chosen. Elected to the LMAC team were Jane Robinson and Thea Gerrish.

The Buccaneer girls were coached by Miss Kay Moessner and managed by Liza Esland. The co-captains of the team were Thea Gerrish and Jane Constant.

Thea guards the ball with her life.

Two divers went to the regionals, Tom Sobolik and Bob Bol. Co-Captains this year were Rod Dykehouse and Howie Degram.

With twenty returning lettermen, next year's team should be even better if they continue to improve as they have in the past.

The team was coached by Mr. John Shears. The diving coach was Mr. Chuck Millard.

Junior Varsity Football

The Junior Varsity Football team had a season record of 1-8, under the coaching of Mr. Tom DeKuiper and Mr. Gene Rayla. As the season progressed the team showed considerable improvement.

Denny Ellis and Glen Walborn were great assets to the team. The size of some of the players will be a great help to the Varsity team next year. With a little more confidence and consistency the future looks promising.

Varsity Football

The Varsity Football team ended its season with a 2-7 record. A difficult schedule, lack of depth and size, and several injuries throughout the season were major factors of this record.

The highlight of the year was the game against Benton Harbor. It is a game that won't be forgotten. The game ended in a 26-26 tie. It was a conference game and therefore the game went into overtime. The game ended up into three overtime periods. The Buc's put everything they had into the game and finally came out with a 46-44 win.

Senior Dan Miller was named to both the offensive and defensive LMAC teams. All conference honorable mentions went to Seniors Wayne Rose and Dean Blauser and Junior Bob Spelde.

This year's team was coached by Mr. Don Constant. Mr. Jim VanDam and Mr. Hal Henrickson were assistant coaches.

Cross Country

The Cross Country team did a fantastic job this year ending with a 9-1 record. The team was coached by Mr. William Root.

Senior Dick Northuis was outstanding again this year. He earned a place on the all-state team, and was the top runner in the LMAC league and in Ottawa County.

Junior Jeff Deephouse was an all Ottawa County runner. Sophomore Mark Northuis and Junior John Jerovsek were also among the all Ottawa County runners.

Buc Stop

Congratulations to the Buc Stop, our school store, on their second year of operation. It was successful.

The store is an occupational laboratory providing the Distributive Education student with a realistic environment in which to experience the various aspects of marketing and distribution.

The store, like any other laboratory, is a place to practice the skills and concepts acquired in the classroom. In a sense this practical experience, is on the job training, similar to what a co-op student gets in a job outside the school.

It should be remembered that the store is a real business, selling real merchandise, and making real money.

DECA

The Distributive Education Clubs of America (DECA), is an organization whose program of leadership and personal development is designed specifically for students enrolled in Distributive Education. Distributive Education is a program of instruction which teaches marketing, merchandising and management.

D.E. students have common objectives and interests. Each is studying for a specific career objective in marketing and distribution.

The DECA instructors were Mr. Bruce Tourre and Mr. John Tripp.

Debbie Appel and Ms. Debbie Ruster by the Buc Stop showcase.

America Is 200 Years Old!!!

I Am An American

I am an American.
My father belongs to the Sons of the Revolution;
My mother, to the Colonial Dames.
One of my ancestors pitched tea overboard in Boston Harbor;
Another stood his ground with Warren;
Another hungered with Washington at Valley Forge.
My forefathers were America in the making:
They spoke in her council halls;
They died on her battle-fields;
They commanded her ships;
They cleared her forests.
Dawns reddened and paled.
Staunch hearts of mine beat fast at each new star
In the nation's flag.
Keen eyes of mine foresaw her greater glory:
The sweep of her seas.
The plenty of her plains
The man-hives in her billowed billion-wired cities.
Every drop of blood in me holds a heritage of patriotism.
I am proud of my past.
I Am an American.

I am an American.
My father was an atom of dust,
My mother a straw in the wind,
To His Serene Majesty.
One of my ancestors died in the mines of Siberia;
Another was crippled for life by twenty blows of the knout;
Another was killed defending his home during the massacres.
The history of my ancestors is a trail of blood
To the palace-gate of the Great White Czar.
But then the dream came —
The dream of America.
In the light of the Liberty torch
The atom of the dust became a man
And the straw in the wind became a woman
For the first time.
"See," said my father, pointing to the flag that fluttered near,
"That flag of stars and stripes is yours;
It is the emblem of the promised land.
It means, my son, the hope of humanity.
Live for it — die for it!"
Under the open sky of my new country I swore to do so;
And every drop of blood in me will keep that vow.
I am proud of my future.
I am an American.

— Elias Lieberman

The Nation's Bicentennial

In this Bicentennial year, we students should be proud to be able to play a part in it. This will be a once in a lifetime happening. None of us was here for the Centennial, and it isn't likely that any of us will be here for the Tricentennial. Now is the best time for us to hold our heads high and be proud we are Americans.

It is this time in our lives that we have a chance to honor America's past and celebrate America's future. It is this future that each of us will help shape and prepare for future generations. At two hundred years, America is one of the youngest nations on this Earth. Yet the United States ranks as one of the greatest nations that has ever been.

It will be our responsibility to guide this nation through the beginning of its next two hundred years. It is our turn to, as the Constitution states, ". . . secure the Blessings of Liberty to ourselves and our Posterity . . ." This may be a great responsibility, but one, in this the Bicentennial year, each of us may be proud to carry out.

High School Centennial

The Class of 1976 is the 100th class to graduate from Grand Haven High School. There is an interesting history behind what we now know as our high school.

The first so called high school was in a white three story building on the corner of Sixth and Franklin Street. It was built in 1871 and it burned down 30 years later in 1901. It had served as a school, church and court house. The next building was built in the same location. The high school was on the upper floor of this building until 1922. Central Elementary School replaced this building when it burned. The third high school building was located at Seventh and Franklin, just behind the second school. This was the first separate high school in Grand Haven. This building became a junior high school in 1953, when our present high school was built. The third high school was later torn down and Central School playground is located there now. Our present high school was dedicated in 1954 and has served us for the last 22 years.

The compiling and recording of a school year produces a yearbook. It captures a part of your life you'll never be able to relive. It stores memories for you to remember as you page through it in years to come.

The annual staff has worked hard through the school year to complete the book. Deadlines were times of frustration and I thank the staff for their efforts to meet them. I especially want to thank Mr. Jack Boyer, our advisor, to whom I turned to with insurmountable tasks and he accomplished them.

Putting together this yearbook was a challenging task. I hated it at times, but I loved it too. It was an experience I was privileged to have and one that I won't forget. The staff and I are proud of this yearbook and I hope you will enjoy it also.

Sincerely,
Cindy Beach

Special thanks and recognition go to Dave DeYoung and Bearle Easterling for the use of their photography. Also, a thank you to Aune Pope who did some sketches for the centennial pages.

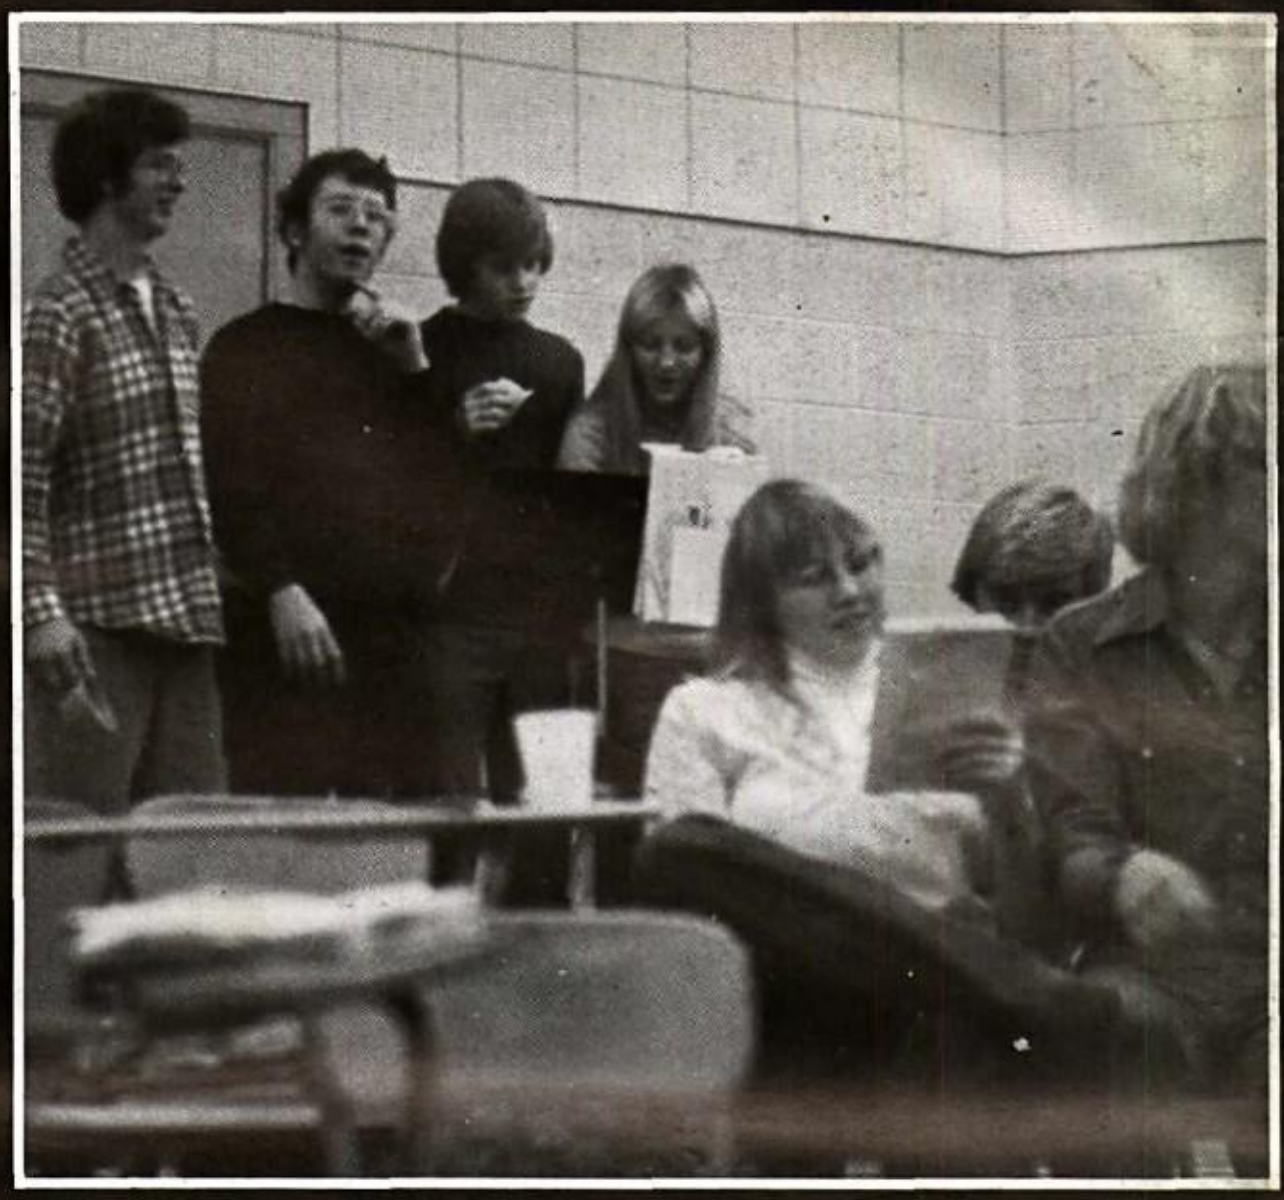
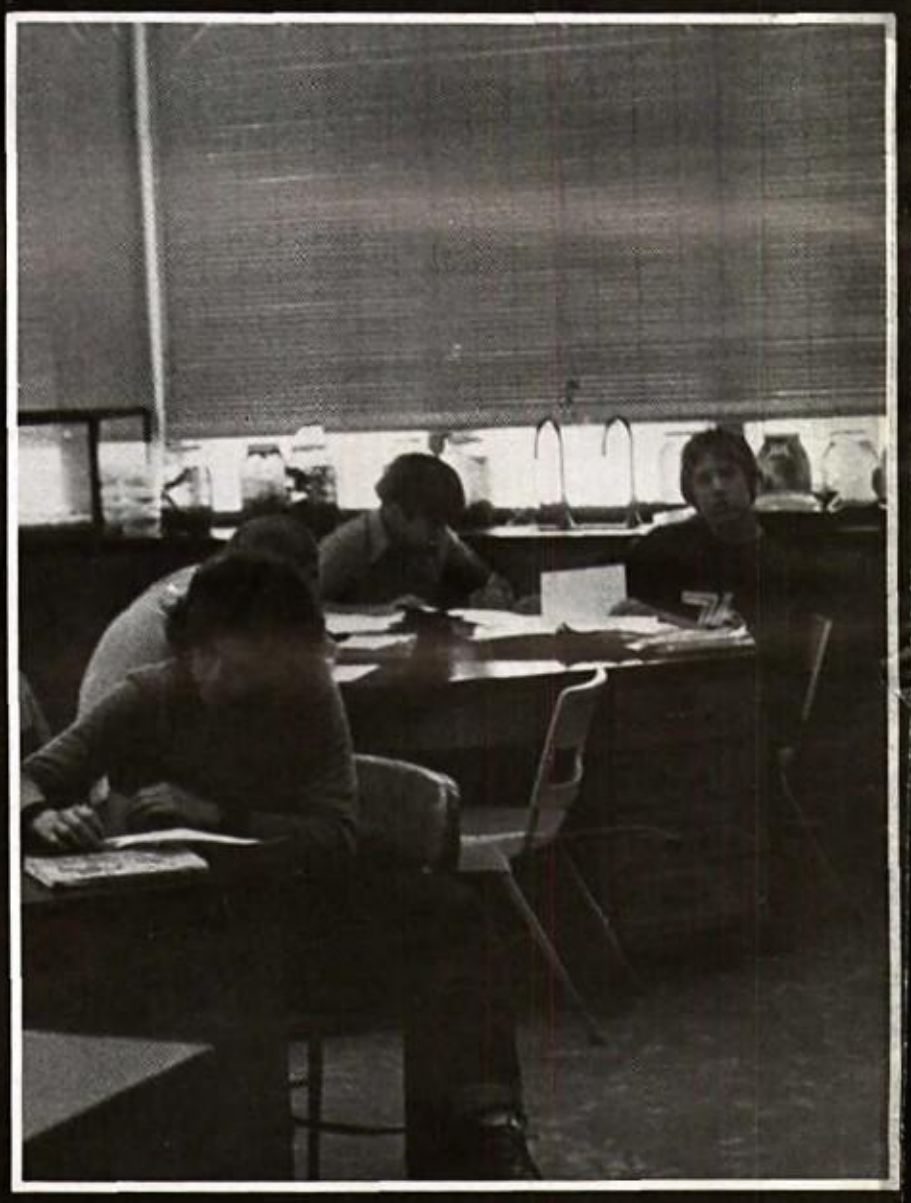
A time to think
A time to sing
A time to laugh . . .





It was a time for friendship
A time for fun
A time to grow
It is a time to remember.
